BUILDING SAFETY CERTIFICATE

It is certified that the temporary structure made for K.V./RWP/Bela, Which was handed over to KVS about seven year back is safe for use at present and is also safe for the session 2021-22.

This is a purely temporary structure, constructed in by Workshop Project Organization Patna for temporary use with an idea that a permanent building for the school would be constructed early construction of permanent building, as such, may be expedited.
